

Genetic Algorithms and Applications

Paper presentation

It counts 20% of the final grade.

Presentation format: Same format as the class notes.

Turn in your ppt and pdf files to [cylee\(at\)kaist.ac.kr](mailto:cylee@kaist.ac.kr) to display in the class homepage.

Due on Monday 9:00 am for the presentation/critique in the class of Monday, and

Wednesday 9:00 am for the class of Wednesday

Better Paper presentation includes

1. History of the work
2. Major idea in the paper
3. Model provided in the paper
4. Related work
5. Major result
